Thank all of you for sticking with us while we seek to acquire a new flying field for general use.

We still have permission to use the San Geronimo Air Park Runway for Model aircraft Operation. Just a reminder, this runway is also used by full scale aircraft and a safety observer is always required.

July is membership renewal. We had really hoped to have something lined up for a new primary flying field by this time; however, that has not happened. Since restaurant occupancy limits have been increased, we can have our traditional JULY meeting. In view of the fact that we still do not have a line on a new field, the dues for the 2020/2021 membership year will again be \$20. We understand some of you have joined other clubs to have a place to fly, but sincerely hope you will see fit to stay with us for another year. I have attached the modified renewal form so you can mail your dues in. Mailing you dues helps me a lot because the paperwork can all be done prior to the meeting. We do need some routine income to maintain the club charter with AMA and also to
