Thank all of you for sticking with us while we seek to acquire a new flying field for general use.

We still have permission to use the San Geronimo Air Park Runway for Model aircraft Operation. Just a reminder, this runway is also used by full scale aircraft and a safety observer is always required. This month there may also be some additional discussions regarding potential new members and use of San Geronimo.

We are still looking for a field and if anyone knows somebody that might link us to a suitable property PLEASE notify the officers so the contact can be followed up.

The following members celebrate another milestone date in February. Wish them a happy birthday when you see them.
